I launched Manhattan User's Guide in 1992, creating the first city newsletter. I've written several guide books to New York, including ***Manhattan User's Guide***, published by Hyperion, ***Shop Talk***, ***The New York Times Guide to Hotels in New York City***, ***The New York Holiday Guide***, and contributed to *City Secrets: New York* and *Design New York*.

In addition, I've written for The New York Times, Food & Wine, InStyle, Budget Travel, getTRIO, Diversion, Sidewalk, and New York Today.

A long time ago, I was one of the original producers of the Broadway musical ***Nick & Nora***, which ran, following an extended preview period, for a grand total of nine performances.

I have a Tibetan Terrier named Nipsey.
